

## **BCSOA REFEREE COACHING PROTOCOL - 2021**

### **CADETS**

In order to move up to BCSOA Active Member status, all Cadets must obtain 2 Off Field Referee Coaching Sessions. This is cumulative - not necessarily in one season.

Upon completion of two (2) Big North or NJIC sub-varsity game assignments a Cadet must email the BCSOA Referee Coaching Committee - [bcsoacadetevaluations@gmail.com](mailto:bcsoacadetevaluations@gmail.com) – to request a Referee Coaching Session. This Session will be scheduled to take place at a Big North or NJIC competitive JV game during the regular season only. The Ramapo Tournament, pre-season scrimmages, and Middle School games are not eligible. (The Ramapo tournament is an excellent opportunity for an experienced official to 'shadow' a Cadet, but is not appropriate for a complete, Referee Coaching Session.)

Immediately following the game, the Cadet will be required to remain and review the game with the Referee Coach. The Referee Coach is responsible for filing the report online.

### **ACTIVE MEMBERS**

All Active Members are required to receive a Referee Coaching Session once every five years. Officials who are looking for more games and/or higher-level games should be proactive and email the BCSOA Referee Coaching Committee - [bcsoacadetevaluations@gmail.com](mailto:bcsoacadetevaluations@gmail.com) - to request a Referee Coaching Session. This Session will be scheduled to take place at a Big North or NJIC competitive Varsity game during the regular season only.

Immediately following the game, the Active Member will be required to remain and review the game with the Referee Coach. The Referee Coach is responsible for filing the report online.
